IMPORTANT NOTES

If you have chosen a PremierNet or AsiaNet plan, you have agreed to have a co-insurance applied to benefits otherwise payable if you claim for treatment from a healthcare provider that is not on this Network List:

- **Network A Policyholders** – 20% co-insurance on out-of-network claims
- **Network B Policyholders** – 30% co-insurance on out-of-network claims
- **BIMC** – 40% co-insurance for treatment received from this healthcare provider in Bali, Indonesia.

We retain the right to change this list from time to time. Only published Network Providers on a list effective at the time of your treatment will be considered Network Providers for the calculation of any out-of-network co-insurance.

Please note that Safe Meridian Network A and B are based on our agreed charges with each hospital, and do not necessarily reflect differences in quality or services.

We will consider adding quality, cost effective healthcare providers to our network in certain locations where facilities are not provided but you should understand arrangements might not be possible prior to you seeking treatment. If you would like to see a certain healthcare provider on the Safe Meridian Network List then please email admin@thirdmillenniahealth.com with the details.

To obtain a current Network List please contact admin@thirdmillenniahealth.com or call + 62 (0) 361 737317.
